

SEATTLE AREA YOUTH FOR CHRIST

Stories of Light

Join us for a night of sharing and celebration as we reflect on the ways the light of Christ has continued to shine through the life and ministry of Seattle YFC.

Our annual banquet is a time to gather. It's a time to tell stories and give thanks for what God has done. It's a time to look ahead with great hope regarding what God will continue to do. It is a time to invite our many giving partners to join us in bringing Good News to young people in desperate need of it.

While the need for social distancing means we won't be able to gather in person, we are still going to gather. There are stories still needing to be told and work still to be done. With that spirit, we are in the process of planning our first ever Virtual Gala to be held on Friday evening, October 30.

This will be an interactive event which our giving partners can participate in from the comfort of their own homes. In an effort to bring forth a celebratory spirit, the first 50 people to RSVP will receive an "at-home banquet kit" filled with several items to bring the banquet to their living room. Kits will include a bottle of wine, a pair of wine glasses, a centerpiece, a pair of cupcakes, and an event program.

We invite you to prayerfully consider being a part of this year's Virtual Gala by participating in one of our sponsorship opportunities.
