

FUTURES FULL OF HOPE

Our vision is to see the lives of every high-risk youth in King and Snohomish Counties transformed through the love and hope of Jesus Christ.

SHE IS FULL OF HOPE BECAUSE OF YOU

Maribel has not had an easy life. She is a senior in high school and she struggles with epilepsy. She works when she is not in school to help support her family.

However, Maribel is full of hope for her future. She started attending YFC a few years ago, and at summer camp last year decided to become a follower of Jesus Christ. She has faith that God will help her deal with the struggles of epilepsy and the pressures of school and work.

Now, as a student leader in City Life, YFC's holistic ministry which teaches leadership skills to youth in low-income neighborhoods, Maribel volunteers as a tutor with younger kids and as a student leader.

"For I know the plans I have for you," says the Lord. "They are plans for good and not for disaster, to give you a future and a hope."
Jeremiah 29:11

We are honored to partner with you to help kids grow in their faith and to reach their God-given potential!

Maribel will be the first person in her family to graduate from high school and we couldn't be more proud of her! Picture: Maribel with her brother, getting ready for her senior prom.
