

PARENT LIFE MOTHERS MATTER

Our vision is to see the lives of every high-risk youth in King and Snohomish Counties transformed through the love and hope of Jesus Christ.

YOU PROVIDED SAFE HOUSING FOR HER

Larissa, a young mother, was on the verge of homelessness. She is overcoming an abusive relationship with her baby's father and worries about the day when he will be released from prison. She often feels alone and she does not have a safe place to live with her child.

Larissa was recently introduced to Parent Life by her domestic violence counselor. During her first visit to the group she opened up and shared her story, something she had rarely done before. She found a group where people understand her struggles and where caring mentors love her unconditionally and are committed to walking alongside her in her life. After staying one night at a mentor's home, we were able to help Larissa connect with local resources.

Now she has safe housing and additional support for her and her son. Thanks for sharing the hope and love of Jesus with young moms!

"This was the turning point in my pregnancy where I went from a terrified teenage girl to a confident young mother."

CITY LIFE VISITS NEW YORK

Our Monroe City Life Ministry recently took 5 student leaders to New York for a week. They worked with a ministry doing outreach to kids living in poverty. It was a life-changing experience for all of them as they grew in their faith and walk with Jesus Christ through serving others.

"Something I have learned from leading is that the kids look up to you and it takes patience to be a leader." - Student Leader

DIRECTOR'S CORNER

Larissa's story is heart-breaking. Can you imagine having a child but not a home? We were able to help her find housing, but we also hope she comes to know the love and hope of Jesus Christ as we continue to walk with her. Thank you for your support, we could not do this critical work without you!
